

At KS Bank, we believe in our people, the value of relationships and the communities we serve. As we approach 100 years of service to our local communities, KS Bank knows our people are the driving force behind our continued success. Voted the 2023 "Best Place to Work" in Johnston County, KS Bank has developed an organizational culture focused on employee engagement, learning and development. We are seeking team members with a commitment to service and community.

KS Bank is currently seeking to add a **Roving Relationship Banker** to our growing team. Primary duties for this role include, but not limited to:

- Provide customers with a warm and friendly greeting as they enter the branch.
- Assist customers by processing bank transactions such as check and cash deposits, withdrawals, balance inquiries, account questions and any other needs they may have.
- Build relationships with customers, identifying potential needs and offering appropriate products and service to meet those needs.
- Maintain and balance a cash drawer daily, following bank policies and procedures in handling all negotiable instruments.
- Respond to incoming phones calls to the branch, providing customers with needed support and transferring calls to appropriate individuals as needed.
- Balance ATM cash and other ATM transactions.
- Travel to any branch location, as needed, to perform the Relationship Banking role in support of our customers.
- Keep abreast of all relevant regulations, policies and procedures through ongoing compliance training.

Qualifications Include:

- Must have previous customer service and cash handling experience in a high-volume setting.
- Strong verbal and written communication skills.
- Ability to listen and identify potential customer needs.
- Strong math and analytical skills, ability to count cash
- Must be comfortable with repetitive tasks.
- Flexible to work in various locations with reliable transportation to commute to all of our branch locations, sometimes on short notice.
