

# Online Banking

**KS Bank's** Online Banking service gives you 24-hour access to your account and allows you to quickly complete common tasks. With online banking, you can:

- View your balances
- Review your transaction history
- Reconcile your **KS Bank** accounts
- Get up to the minute information about all of your **KS Bank** accounts
- Confirm deposits, withdrawals, and cleared checks
- Transfer money between **KS Bank** accounts
- Make payments on your **KS Bank** accounts
- Manage your debit cards (activate, re-order, or cancel cards)
- View your statements
- Create custom alerts (balance alerts, item alerts, personal alerts) on your accounts and transactions

Your **KS Bank** account information can easily be integrated with Quicken or QuickBooks. In addition, **KS Bank's** Online Bill Pay makes paying bills easier and faster. Pay your bills whenever you want, without writing checks, addressing envelopes, and making unnecessary trips to the Post Office.
