Enrolling for Text Banking

Enrolling for text banking must be done through the traditional NetTeller site.

- Log into NetTeller.
- Select **Options > Mobile Settings > Text Banking**.
- Enter mobile phone number, select mobile provider, select accounts to access via text, and create Mobile Short Name for each selected account. Click **Submit**.
- **Mobile Short Name** is the name included in the text to request information for a specific account.

Example: Texting *Bal* returns the balance of all accounts. Texting *Bal Vacay* returns only the balance of the account with *Vacay* as the mobile short name.
